INVITATION & SUPPLEMENTARY REGULATIONS

Estonian Drag Racing Association will organize the International drag racing event “Glassdrive EDRA Nationals 2019” on July 20th to July 21st 2019 at Haapsalu, Kiltsi Airfield, Estonia. Participating in this event is at the competitors own risk. FIA, Estonian ASN, EMF and the organizing club (EDRA) and its officials are not responsible for injuries, accidents or other damage that occurs during the event. By attending the event, the competitors and officials allow their personal information, which is registered in the organizers register, to be used in the interest of the race only. No personal information will be given out to third persons who are not involved with the current event.

RACE DETAILS

This international and national drag race will be run in accordance with the Sporting Code of the FIA, the FIA Regulations for Drag Racing, the national regulations of Estonian Cup and Championship, regulations of Summit EDRS Series and any additions, that may be issued.

The event will count for the 2019 Estonian Drag Racing Championship, Estonian Drag Racing Cup series, and Summit racing EDRS Series.

TRACK INFORMATION

The track is an old soviet military airfield. It is covered with concrete plates at the full length of the runway. The total width of the runway is 50 meters, but for racing we use the width of two center plates, which is 15 meters. Total length from, startline to the end of the runway, is 1.9 km and we are allowed to use every meter of it, if necessary. The surface is prepped from startline to about 100 meters with rubber and trackbite. The track is situated about 100 km from Tallinn harbour. When using Google maps or any other navigation device, just type in „Kiltsi Sõjaväe Lennu Väli“, or „Kiltsi Airfield“. There is no permanent water or electricity infrastructures on the field, but if you send a special request to the organizer, we can make arrangements to get you both.

Total length 2200m. Width 15m. Concrete track with rubber and trackbite near the start line. Timing system offers .0000 accuracy. Following results will be measured: RT, 60ft, 330ft ET, 660ft ET, 660ft speed, 1000ft ET, 1000ft speed, 1320ft ET and 1320ft speed. Race distance: 1/4 mile (402.33m) except Estonian Junior Bracket category, who will run the 1/8 mile (201,16m).
